## The Most-Hated Man in BV - The Guy we Love to Hate

BV has nine Board members; one of whom most of you know, either by sight or his vehicle.

That's Ole driving that Ford 350, our Treasure: the guy who sends you notices for past due accounts and writes you up for deed restriction violations. Hey, someone has to do it. The Board voted Ole into those positions so be mad at all of us!

Yes, he bellows at you when attending a DCCR hearing, explaining your violations, and he hogs the road writing up violations and taking pictures, while you sit impatiently behind his truck. He's our Ole, the guy who tells you the rules and holds you to them.

He's doing his job, people, a thankless job that makes him the least popular guy in the subdivision. Let's be grateful we have someone willing to take all those knocks for Brays Village. Go Ole!

**Thought for the day:** *Success is not final, failure is not fatal. It is the courage to continue that counts*—  
Winston Churchill

Trash cans must be stored out of sight. BV will fine you if your cans are visible from the street, even behind an iron fence. Fines are levied if you put junk/tree waste too early or leave after pickup dates. Renters are subject to same rules as owners. Download or read guidelines at our web site.

**Excess Produce** – Please think about donating/selling your excess fruits and vegetables that you are growing to the Alief Farmer's Market. Call or email the office with your name and address & we'll get back with you.

**Little Free Library** – The mission is to instill a love of reading that results in literacy, & promote a sense of community. We'll build a place near the BV Common Area where people can donate, share & exchange books for free. Children can come by & pull their choice of books to read without having to check them out (no library card needed). They just read & return when done. You don't have to return the exact same book(s) that you take, just be sure to bring book(s) replace the ones you take.

**This is open to ALL.**

If you have books that you would like to donate, just come by and put the books inside our Little Free Library. We need everyone's help to support it. Check this link for a video, tips, history, operation, etc.
