## PLAN HOUSTON

In 2015 city council adopted Houston's first general plan, called **PLAN HOUSTON** that describes a vision and sets goals using 12 core strategies.

The web address is [www.PlanHouston.org](http://www.PlanHouston.org)

Next step is to review citizen input for policy makers to consider in setting budget priorities for the next fiscal year which begins in July.

Go to the website and take the survey in English, Spanish, Chinese, or Vietnamese. **Your input**, and Plan Houston's strategy will help ensure that the City of Houston will use its limited resources in the most effective means possible to improve our community. You can share your thoughts on what the City should be focusing on by responding to a brief survey.

• November 12 • December 12 • January 14

**Fall is the time for festivals** featuring food and fun. The biggest one every October and most of November is the Texas Renaissance Festival near Magnolia/Plantersville. Be a lord, lady, knight or knave. Watch a jousting match, see the falconers! Check out

[www.TexRenFest.com](http://www.TexRenFest.com) for more details!

• **The Sharpstown Civic Association will be holding a "walk, run or bike ride" gathering on Saturday, November 5th from 9am - Noon.** The 2 mile walk or 10 mile bike ride will weave through Sharpstown neighborhoods and have a midway stopping point at DiHo Square to sample food!

### • Tennis Court

#### Lights

• Due to the expense & input from tennis players, the board elected not to change the lighting to LEDs. We replaced the lights that had gone out with the same type of lighting. Players tell us the color affects the perception of the balls' color and they don't like that. Switching to LED lighting is expensive.

**According to Houston Area Realtors, in Brays Village**

• 8 homes are for sale, with list prices from \$145k to \$195k

• 3 pending sales from \$130 - \$149k

Average \$153k, Median \$149.9k
